Purpose:

To ensure the school community understands our school's approach to first aid for students.

Scope:

First aid for anaphylaxis and asthma are provided for in our school's:

- *Anaphylaxis Policy*
- *Asthma Policy*

Policy:

From time to time Brentwood Secondary College staff might need to administer first aid to students at school or school activities.

Parents/carers should be aware that the goal of first aid is not to diagnose or treat a condition.

Staffing:

The principal will ensure that Brentwood Secondary College has sufficient staff with the appropriate levels of first aid training to meet the first aid needs of the school community.

Our school's trained first aid officers are listed in our Emergency Management Plan (EMP). Our EMP includes the expiry dates of the training.

This list is reviewed on an annual basis as part of the annual review of our Emergency Management Plan.

First aid kits

Brentwood Secondary College will maintain:

- A major first aid kit which will be stored in the Sickbay.
- 10 portable box first aid kits which may be used for excursions, 2 portable bag first aid kits which may be used for camps and 1 grab and go first aid kit for use during yard duty. These first aid kits are all located in the General Office.
- AEDs (Automatic External Defibrillator) located on school grounds.

A designated First Aid Officer in the General Office and Office Reception staff member will be responsible for maintaining all first aid kits.

Care for unwell students

Students who are unwell should not attend school.

If a student becomes unwell during the school day they may be directed to the Sick Bay at the General Office and monitored by staff. Depending on the nature of their symptoms, staff may contact parents/carers or an emergency contact person to ask them to collect the student.

Sick Bay:

Our school follows the Department's policy and guidance in relation to our sick bay to ensure it is safe, hygienic and appropriately equipped: [First aid rooms and sick bays](#).

First aid management

If there is a situation or incident which occurs at school or a school activity which requires first aid to be administered to a student:

- Staff who have been trained in first aid will administer first aid in accordance with their training. In an emergency situation, other staff may assist in the administration of first aid within their level of competence.
- In a medical emergency, staff may take emergency action and do not need to obtain parent/carer consent to do so. Staff may contact Triple Zero "000" for emergency medical services at any time.
- Staff may also contact NURSE-ON-CALL (on 1300 60 60 24) in an emergency. NURSE-ON-CALL provides immediate, expert health advice from a registered nurse and is available 24 hours a day, 7 days a week.
- If first aid is administered for a minor injury or condition, Brentwood Secondary College will notify parents/carers by a Compass First Aid Chronicle which will alert parents via Compass.
- If first aid is administered for a serious injury or condition, or in an emergency situation, school staff will attempt to contact parents/carers or emergency contacts as soon as reasonably practical.
- If staff providing first aid determine that an emergency response is not required but that medical advice is needed, school staff will ask parents/carers, or an emergency contact person, to collect the student and recommend that advice is sought from a medical practitioner.
- Whenever first aid treatment is administered to a student resulting from a student incident, injury or illness, Brentwood Secondary College will:
 - record the incident on CASES21, in the first aid register and on the individual students' Compass Chronicle.
 - if care was provided in response to a medical emergency or reportable incident, follow the Department's [Reporting and Managing School Incidents Policy](#), including reporting the incident to the Department's Incident Support and Operations Centre on 1800 126 126 where required to under that policy, and if advised by emergency management, contact Worksafe on 13 23 60.

- if care was provided in response to a medical emergency or reportable incident, follow the In accordance with Department of Education and Training policy, analgesics, including paracetamol and aspirin, will not be stored at school or provided as a standard first aid treatments. This is because they can mask signs of serious illness or injury. For further information refer to the Department’s Policy and Advisory Library: [Medication](#)
