

Help for non-English speakers

If you need help to understand the information in this policy please contact the school on 8545 0300.

Our Values:

Brentwood Secondary College values learning and community. We value learning by being creative, curious, disciplined, reflective and resilient. We value community through compassion, empathy, integrity, respect and responsibility.

Purpose:

To outline the processes that Brentwood Secondary College will follow to recruit, screen, supervise and manage volunteers to provide a child safe environment, and to explain the legal rights of volunteers.

Scope:

This policy applies to the recruitment, screening, supervision and management of all people who volunteer at our school.

Definitions:

Child-related work: work that usually involves direct contact (including in person, over the phone, written and online communication) with a child that is a central part of that person's duties. It does not include work that involves occasional contact with children that is incidental to the work.

Closely related family member: parent, carer, parent/carer's spouse or domestic partner, stepparent, parent/carer's mother or father in-law, grandparent, uncle or aunt, brother or sister, including step or half siblings.

Volunteer worker: A volunteer school worker is a person who voluntarily engages in school work or approved community work without payment or reward.

School work: School work means:

- Carrying out the functions of a school council
- Any activity carried out for the welfare of a school, by the school council, any parents' club or association or any other body organised to promote the welfare of the school
- Any activity carried out for the welfare of the school at the request of the principal or school council
- Providing assistance in the work of any school or kindergarten

- Attending meetings in relation to government schools convened by any organisation which receives government financial support

This is a broad definition and means that volunteers who participate in school community activities, such as fundraising and assisting with excursions, are legally protected (ie indemnified) from action by others in the event of an injury or accident whilst they are performing volunteer school work in good faith.

Policy

Brentwood Secondary College is committed to implementing and following practices which protect the safety and wellbeing of children and our staff and volunteers. Brentwood Secondary College also recognises the valuable contribution that volunteers provide to our school community and the work that we do.

The procedures set out below are designed to ensure that Brentwood Secondary College's volunteers are suitable to work with children and are well-placed to make a positive contribution to our school community.

Becoming a volunteer

Members of our school community who would like to volunteer are encouraged to contact the school on 8545 0300. At times, the school will publicise volunteer opportunities via a number of school communications (please refer to [Communications Policy](#)).

COVID-19 Vaccination Information:

Under the directions issued by the Victorian Chief Health Officer, volunteers attending school to work are required to be vaccinated or provide evidence that they are medically exempted. Our school is required to collect, record and hold vaccination information from relevant visitors and volunteers to ensure they meet these requirements.

For further information on this process, refer to our school's COVID-19 Mandatory Vaccination – Information Collection and Storage Procedures.

For Department policy on COVID-19 mandatory vaccinations for visitors, including advice on the type of information that schools are required to collect, record and hold, refer to:

- [COVID-19 Vaccinations – Visitors and Volunteers Working on School Sites](#)

Suitability Checks Including Working with Children Clearances:

Working with students

Brentwood Secondary College values the many volunteers that assist with events, camps, excursions, performing arts productions, music concerts, school council and various other committees or groups in the school. To ensure that we are meeting our legal obligations under the Worker Screening Act and Child Safe Standards, Brentwood Secondary College is required to undertake suitability checks which may include a Working With Children (WWC)

Clearance and may involve undertaking a reference, proof of identity and work history involving children and/or children checks.

Where prospective volunteers are required under the law and this policy to have a WWC Clearance, the principal has the discretion to accept evidence of a WWC check application in order to commence volunteer work, provided the volunteer provides the school with evidence of the application outcome (clearance or exclusion) as soon as practicable after the applicant receives it

Considering our legal obligations, and our commitment to ensuring that Brentwood Secondary College is a child safe environment, we will require volunteers to obtain a WWC Clearance and produce their valid card to the General Office for verification in the following circumstances:

- **Volunteers who are not parent/family members** of any student at the school if they are engaged in child-related work regardless of whether they are being supervised. This includes university placement workers.
- **Parent/family volunteers** who assist with excursions, camps and similar events, regardless of whether their own child is participating or not.
- **Parent/family volunteers** who regularly assist in school activities, regardless of whether their own child is participating or not.
- **Parent/community School Council members** sitting on School Council with student School Council members, regardless of whether their own child is a student member or not

In addition, depending on the nature of the volunteer work, our school may ask the volunteer to provide other suitability checks at its discretion (for example, references, work history involving children and/or qualifications). Proof of identity may also be required in some circumstances.

Non child-related work

At Brentwood Secondary College, volunteers for this type of work will still be required to provide a valid WWC Check. The school reserves the right to also request proof of ID, references and work history depending on the role being undertaken.

School Council members and volunteers on any sub-committee of school council will be asked to provide a valid WWC Check. Whilst we acknowledge that these volunteers will not be engaging in child-related work as part of their role, even when there is a student sitting on the school council, we believe that it is important that our volunteers who are involved in making important decisions about our school which will have an impact on students do have a valid WWC Check.

Management and supervision

Volunteer workers will be expected to comply with any reasonable direction of the principal (or their nominee). This will include the requirement to follow our school's policies, including, but not limited to our Child Safe Environment Policy, our Child Safety Code of Conduct, Statement of Commitment to Child Safety and our school values. Volunteer workers will also be expected to act consistently with Department of Education and Training policies, to the extent that they apply to volunteer workers, including the Department's policies relating to Equal Opportunity and Anti-Discrimination, Sexual Harassment and Workplace Bullying.

The Principal has the discretion to make a decision about the ongoing suitability of a volunteer worker and may determine at any time whether or not a person is suitable to volunteer at Brentwood Secondary College.

Brentwood Secondary College will provide any appropriate induction and/or training for all volunteer workers. The principal (or their nominee) will determine what induction and/or training is necessary depending on what type of work the volunteer will be engaged in and will ensure a record is kept of the induction undertaken.

All volunteers will be provided induction in relation to Brentwood Secondary College's child safety practices, including reporting obligations and procedures. Our school has a Child Safety Responding and Reporting Obligations Policy and Procedures which all staff and volunteers should be aware of.

The Principal (or their nominee) will determine what supervision, if any, of volunteers is required for the type of work being performed.

Compensation

Personal injury

Volunteer workers are covered by the Department of Education and Training's Workers' Compensation Policy if they suffer personal injury in the course of engaging in school work.

Property damage

If a volunteer worker suffers damage to their property in the course of carrying out school work, the Minister (or delegate) may authorise such compensation as they consider reasonable in the circumstances. Claims of this nature should be directed to the principal who will direct them to the Department's Legal Division.

Public liability insurance

The Department of Education and Training's public liability insurance policy applies when a volunteer worker engaged in school work is legally liable for:

- a claim for bodily injury to a third party
- damage to or the destruction of a third party's property.

Communication:

This policy will be communicated to our school community in the following ways:

- Available publicly on our school's website
- Included in induction processes for relevant staff
- Included in our staff handbook/manual
